What You Need to Know
Monday, April 24, 2017 6:30 PM
Sheraton Myrtle Beach
Convention Center Hotel

Purpose: To promote Culinary Arts within the Hospitality Industry by providing mentoring and training to students in high school and college. The dinner is a means to recognize their achievements and to draw attention to the Culinary Arts profession.

Chefs:

- Chefs will be paired with one high school student and one college student for each team. You are requested to prepare all the food with the students.
- Chefs donate their mentoring time. Students will be available **Sunday, April 23rd and Monday, April 24th**. Chefs will be asked to provide best available times on those dates and students will be matched by availability and location.
- Reception style foods @ stations. Cook for *sample taste portions only*.
- Plan on 250 people. Our goal is to have 15 chefs.
- Two complimentary tickets to the event will be given to each participating chef/restaurant.
- Chefs select food items & provide food, transportation, cooking utensils, pots, etc. A good idea is to get your food suppliers to donate the supplies; they usually have budgets for these types of donations.
- Menu must consist of multiple items: **Contact us with your selected menu items to minimize duplicity.**
- The Sheraton Myrtle Beach Convention Center Hotel will supply all plates, glasses, silverware, tables, linens etc. You will work with Sheraton's Chef on extras.
- Menu signage (8x11) framed will be provided by the event for each participating restaurant.
- Restaurants are encouraged to bring table top signage and decorate your area for added promotional value.
